Beliefs

Our Mission Statement: The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.

The Salvation Army desires that camps have a distinctly Christian atmosphere and influence. Hidden Falls provides creative, recreational, and educational opportunities in the outdoors utilizing trained leadership and the resources of the natural surroundings to contribute to each camper's mental, physical, social, and spiritual growth.

Though campers come from many religious backgrounds, all are included in chapel services, prayer before meals, bedtime devotions, etc. Salvation Army Staff members participate in leading campers in these activities and, in addition, staff members are expected to live exemplary lives before campers and other staff alike.

Your application for a Summer Ministry position *is interpreted as an indication that you subscribe to a high moral, ethical, and spiritual approach to camping and a willingness to exhibit a servant attitude and comply with the policies and procedures of The Salvation Army Hidden Falls Camp and Conference Center.*
